# Balixa Timeline

# Balixa on BNB (bep-20)

Balixa strategically selects BNB (BEP-20) as its transaction currency, leveraging its status as the world's third most influential cryptocurrency, following BTC and ETH. With a promising trajectory, BNB is poised to soar to \$3000, underscoring its potential for substantial growth. Utilizing BEP-20 technology ensures secure, swift transactions at minimal costs, empowering Balixa's community members to seize financial opportunities with confidence and ease.

We choose  
**BNB (BEP-20)**

# COMMUNITY MATRIX PROFIT

## IT'S 2X2

### COMMUNITY MATRIX UPTO 20 LEVEL

It's the 2x2 team force matrix extending up to 20 levels, when a member joins your matrix tree, 10% of their withdrawal amount (minimum 0.01 BNB) is evenly distributed among the uplines in the 20-level matrix team. This ensures that every upline receives 0.5% of the withdrawal amount from their matrix tree downline.

300BNB	120BNB	180BNB	18BNB	 COMPACT SUV
500BNB	200BNB	300BNB	30BNB	 SUV

The Monthly Leaders Reward is calculated based on the fresh business generated each month. 40% of the total business comes from the strongest team, while the remaining 60% is contributed by all other teams. The reward amount is credited on the 1st day of every month. This system incentivizes building a strong team and encourages consistent performance, offering the potential for higher reward values in the monthly leaders category

Community leaders are rewarded based on their team's total business, with 40% calculated from their strong team and 60% from other teams. Rewards are disbursed the day after achievement, encouraging sustained effort in the next-to-next business category. This incentivizes collaborative growth, ensuring equitable distribution of rewards across the community.
